

Practice Quiz

1. Topic: NFP financial statements

LO 1

Which statement is *false* concerning the financial statements of private NFP organizations?

- a. Required financial statements are the statement of financial position, the statement of activities, and the statement of cash flows.
- b. Expenses are classified functionally and reduce only unrestricted and temporarily restricted net assets.
- c. The organization's operating statement reports the change in net assets for the year.
- d. If the organization's board decides to set aside cash for a specific project, this has no effect on the categories of net assets.

2. Topic: NFP financial statements

LO 1

Which type of private NFP organization is required to present a separate schedule showing the natural classification of functional expenses, in addition to the functional classification shown in its operating statement?

- a. Voluntary health and welfare organizations
- b. Hospitals and other health care organizations
- c. Private colleges and universities
- d. Civic and fraternal organizations

3. Topic: Promised contributions

LO 2

On January 2, 2015, a donor to a private university makes a documented promise to contribute \$50,000 per year in 2016, 2017, and 2018. There are no donor restrictions. During 2016, the donor pays the university \$50,000.

How is this reported in the university's 2016 statement of activities? (Ignore present value issues.)

- a. No effect on any category of net assets
- b. Net assets released from time restrictions: decrease in unrestricted net assets and increase in temporarily restricted net assets, \$50,000
- c. Increase in unrestricted net assets: contributions, \$50,000
- d. Net assets released from time restrictions: increase in unrestricted net assets and decrease in temporarily restricted net assets, \$50,000

**4. Topic: Donated services**

**LO 2**

A lawyer donates legal services valued at \$2,000 to a private NFP organization. A contractor donates services valued at \$300,000 to supervise the building of an addition to the organization's recreation building. High school students volunteer their time, valued at \$500, to clean up the organization's grounds.

How does the organization report these donated services in its statement of activities?

- a. Service revenue, \$302,500; General expense, \$2,500
- b. Service revenue, \$302,500; General expense, \$302,500
- c. Service revenue, \$302,000; General expense, \$302,000
- d. Service revenue, \$302,000; General expense, \$2,000

**5. Topic: Contributions received on behalf of others**

**LO 2**

During 2016, the United Way receives \$1,000,000 in cash contributions that are donor-restricted to Habitat for Humanity. By the end of 2016, the United Way has distributed \$800,000 of these contributions to Habitat for Humanity.

How much contribution revenue is reported on the 2016 statement of activities of each organization?

	<u><b>United Way</b></u>	<u><b>Habitat for Humanity</b></u>
a.	\$-0-	\$1,000,000
b.	\$1,000,000	\$-0-
c.	\$1,000,000	\$1,000,000
d.	\$ 800,000	\$ 800,000

**6. Topic: Contributions with use restrictions**

**LO 2**

The Louisiana Society for the Preservation of Waterfowl receives \$10,000,000 in contributions to support the Society's work to save ducks and geese affected by a serious oil spill in 2015. By the end of 2016, the Society has spent \$9,000,000 of these contributions.

Where is the remaining \$1,000,000 reported in the Society's 2016 financial statements?

- a. Contributions revenue, 2016 statement of activities
- b. Program expenses, 2016 statement of activities
- c. Temporarily restricted net assets, 2016 statement of financial position
- d. Liabilities, 2016 statement of financial position

**7. Topic: Investments in financial securities**

**LO 3**

At the end of 2015, a private NFP organization receives a permanent endowment of \$5,000,000 in cash. The organization immediately invests the \$5,000,000 in equity securities. The donor states that income from the endowment can be used for any purpose. During 2016, dividend revenue of \$200,000 is accrued, and the organization receives \$180,000 of this revenue in cash. The equity securities have a fair value of \$4,500,000 at the end of 2016.

How is this information reported on the organization's 2016 statement of activities?

	<u>Change in PRNA</u>	<u>Change in TRNA</u>	<u>Change in UNA</u>
a.	\$-0-	\$(500,000)	\$180,000
b.	\$(500,000)	\$-0-	\$180,000
c.	\$(500,000)	\$-0-	\$200,000
d.	\$-0-	\$-0-	\$(300,000)

**8. Topic: Investments in financial securities**

**LO 3**

At the end of 2015, a private NFP organization receives a donation of equity securities with a fair value of \$5,000,000. The donor states that the organization must hold the securities, but income from the securities can be used for any purpose. During 2016, dividend revenue of \$200,000 is accrued, and the organization receives \$180,000 of this revenue in cash. The equity securities have a fair value of \$4,500,000 at the end of 2016.

How is this information reported on the organization's 2016 statement of activities?

	<u>Change in PRNA</u>	<u>Change in TRNA</u>	<u>Change in UNA</u>
a.	\$-0-	\$(500,000)	\$180,000
b.	\$(500,000)	\$-0-	\$180,000
c.	\$(500,000)	\$-0-	\$200,000
d.	\$-0-	\$-0-	\$(300,000)

**9. Topic: Health care organizations**

**LO 4**

A private NFP hospital reports the following information for 2016:

Gross billings to patients.....	\$ 10,000,000
Gross billings to third party payers for patient services.....	130,000,000
Estimated retail value of charity care.....	8,000,000
Contractual and other billing adjustments for patient services.....	6,000,000
Estimated uncollectible portion of amounts billed.....	20,000,000
Administrative expenses related to patient care billings.....	4,000,000

On its 2016 operating statement, what is the hospital's net patient service revenue?

- a. \$142,000,000
- b. \$134,000,000
- c. \$122,000,000
- d. \$120,000,000

**10. Topic: Evaluation of NFP financial information**

**LO 5**

Critics of GAAP for NFP organizations contend that the financial statements overstate resources available to finance organization activities.

Which of the following is *not* an example supporting this point of view?

- a. Investments are reported at fair value, with gains in value reported in the operating statement
- b. Documented promises to contribute are reported in the operating statement, at their present value
- c. Permanent endowment interest and dividend income is reported in the operating statement as unrestricted, if the donor does not restrict endowment income
- d. Contributions of goods are reported in the operating statement at fair value
